THE DAVID KNIGHT LEGG COLLECTION

World-class art. A private London stage.

A personal fractional collection and an exclusive launch evening at The Art Lounge, Shoreditch

The QU4RTER

World-class art, one Fraction at a time

The QU4RTER offers certified Fractions of the total value of authentic artworks. Now anyone can invest in world-class art from just £500 per Fraction.

Founded by Riley Riley

Former VP of Creative Strategy, Meta
Former Chief Creative Officer, WPP

The QU4RTER brings fractional collecting together with a physical members club in London.

The market opportunity

$59.6bn

Global art sales in 2025

Up 4% year on year, following two years of contraction.
Still below the 2022 peak.

ART INVESTMENT PLATFORMS

$1.08bn to $2.19bn

2026 estimate to 2030 forecast
19.4% compound annual growth

The forecast covers a broader platform market, including fractional ownership services.

Our opportunity: open world-class art to a wider audience, with Fractions from £500.

Different market measures. The platform forecast is a third-party estimate, not an artwork-return or QU4RTER forecast.

An evening inside your collection

A room full of world-class art, curated by you.

Invite your clients and guests through the hidden door of your collection for a private evening at The Art Lounge.

An art professional by your side

Your adviser will help you select the works and show you what makes them special, from the stories behind them to the details you'll want to point out to your guests.

An evening built around your art

Together, you'll plan the private view around the pieces you most want to share. Your adviser can lead a short talk and discussion, and you can show your guests what drew you to each work and why you chose to bring them together.

The launch collection

Your suggested £600,000 collection

London + New York. Art with an underground history.

London / Banksy

Shoreditch beginnings and illicit interventions: wit, protest and images that reached people on the street.

New York / Warhol, Basquiat & Haring

Warhol's Factory, Basquiat's downtown and Haring's subways and Pop Shop: different routes that changed who art could reach.

The raw character of a restored Shoreditch chapel becomes part of the story.
